

Cutting Edge Graphics Available on Over 65 Styles!

Free set-up!

Make your 4-Color artwork shine with exclusive, new decorating method **PhotoGrafixx**. Using fine halftones and an expanded color range, **PhotoGrafixx** captures the sharpness of a design. This patented, proprietary process brings visuals to life while offering the durability of other decorating methods.

Set-up on PhotoGrafixx items is FREE and run charges are \$1.35 (v) for the first location on all quantities. This method requires 5 day production time after approval and 8 days standard lead time.
